## **RED PARROT INTRODUCES**

**Red Parrot Beverages**, Manufacturer of Premium Juices, and Cocktail Mixes is excited to offer to the food service industry, our "Hand Crafted" and "Small Batch" soda syrups. These syrups are developed in Larkspur, Colorado and are manufactured with Natural Cane Sugar and Natural Flavors which will satisfy all of your client's needs.

Step back to the days when sodas were void of GMO's and artificial flavorings and represented a refreshing escape. Your customers deserve more choices than what is offered in today's market place. Real Sugar Soda offers real refreshment that actually satisfies. **Red Parrot Beverages** requests you join the growing lists of Food Service operations who put quality in front of brand.
